Spring Reminders:

- ⇒ Bike helmets save lives and are required by law. Please make sure your child has his/hers on each day.
- ⇒ Bikes, scooters, skateboards and rollerblades cannot be used on school property. Students will need to walk these items on/off the school property
- ⇒ Bike locks are essential at the school, for security.
- ⇒ Please send students with sun hats, sunscreen and plenty of water (in a reusable bottle when possible). Sun safety is very important as the UV is already getting strong.
- ⇒ The Dress Code can be found in the front of the student agenda. Please review this with your child.
- ⇒ Students require a letter from their parent/guardian to leave school property at second break.

Spring Reminders:

- ⇒ All dogs must be leashed and under the control of an adult while on school property. Dogs must remain outside the school yard at all times.
- ⇒ Please pick up after your dog. Our students enjoy our yard everyday and dog "poop" doesn't make it a pleasant experience.
- ⇒ Parents/child care providers are asked to remain at the perimeter of the property when picking up/dropping off. You are welcome to meet at the yellow gates, along the stone wall at the back door, the peace path and the fence at the south side. Keeping our yard open helps the staff ensure our students are safely with their caregiver at the end of the day.
- ⇒ The school does not provide supervision at the end of the day. Older students need to promptly leave the property and younger students need to be picked up at the bell.

WOMEN'S SHELTER TOILETRY DRIVE: APRIL 18TH - MAY 18TH

The staff and students at Trillium Woods are in the midst of gathering toiletry items from their homes to donate to the Barrie Women's Shelter. Please look through your cupboards for any items you have that you can spare. We have a growing collection outside of the office in the front foyer. There is a tremendous need right here in our Barrie community and we are working together to make a difference. Some suggested items include but are not limited to the following:

toothpaste	toothbrushes	hair products	shampoo and conditioner
floss	creams	razors	elastics, headbands
bath toys	toilet paper	make-up	brush and comb

Thank you for your support! Ms. Chant's Class

LOOKING FOR ITEMS IN GRADE 1

Mrs. Gogolin's class would like to create a Lego wall. If you, or anyone you know, has Lego base plates that are no longer needed, the Grade 1's would greatly appreciate them. Thanks in advance for supporting their program. They are also collecting small electronic items (e.g., remotes, hair dryers, keyboards, mouse, cordless phones, toasters) for a classroom 'take it apart' centre. Batteries and electrical cords can be removed. Thank you.

LIBRARY NEWS

Our Chapters Night for Trillium Woods was a huge success! We raised \$651.00 for Mrs. Marling to buy new books for our library! Thanks to all of the performers, students and staff who came out to support our school. The next big fundraiser for the library will be our Scholastic Congratulations to our Battle of the Books team! They participated in the regional Battle of the Books competition on April 25th. Our team members read from a list of books for the last six months to prepare for the battle. The team members this year were: Nikita, Sydney D., Sakura, Sammy, Omosede, Makenna A, Ehikue, Kiefer, Samantha B., Paige, Carter N, Raven, Mackenzie P., Olivia U., Kayla L., and Grace R.

The Forest of Reading voting is currently taking place. The winners will be announced and reported in the June newsletter.

Enjoy the spring weather and Read, Read, Read!

IMMUNIZATION REMINDER

By law, all students need to have an up-to-date immunization record on file at the health unit. Since starting Kindergarten, your child may have received new immunizations. A reminder – you must send your child's updated immunization records to the Simcoe Muskoka District Health Unit for:

Tetanus, Diphtheria, Polio, and Pertussis, Measles, Mumps, and Rubella

Two-doses of a Chickenpox (Varicella) containing vaccine

If your child will not be getting these vaccines, you will need to give the health unit a valid exemption (medical or affidavit). If the health unit does not have an updated record, students could be temporarily suspended from school. Follow these steps to help us:

- Check your child's yellow immunization card
- Contact your health care provider to obtain records, or to get missing vaccinations
- Share the complete record with us at www.smdhu.org/immsonline or fax the record to the health unit at 705-726-3962

Questions? Contact Health Connection at 705-721-7520 or toll-free at 1-877-721-7520.
